

Mayat Gusal Committee (MGC), Council for Ontario

The Mayat Gusal Committee (MGC) co-ordinates gusal, funeral and related services for members of the Jamat in Toronto and Districts which are under the jurisdiction of Council of Ontario. MGC assists family members in facilitating arrangements from the time of death to burial. It liaises with external service providers such as funeral homes, cemeteries and hospitals to co-ordinate funeral services. It also works with the Bereavement Committee to facilitate dilsoji bethaks.

The Council for Ontario is pleased to make the following appointments for a term ending March 2017.
