## AKU's APPROACH TO MENTAL HEALTH AND NEUROSCIENCE

Mental health care should be available for all, not a luxury. Join us as Dr Zul Merali discusses using implementation science to bring about the paradigm change.

Zul Merali, PhD

Dr Zul Merali is the Founding Director of the Brain and Mind Institute at the Aga Khan University. He is a neuroscientist and pharmacologist by training (McGill University, University of Ottawa and Wharton), with over 40 years of academic engagement with over 250 peer-reviewed scientific publications. He has used his proven academic and entrepreneurial ability to add value to forward thinking organizations to help address the mental health problem, locally, nationally and globally.
