

Do you need a job? Why not have a career?

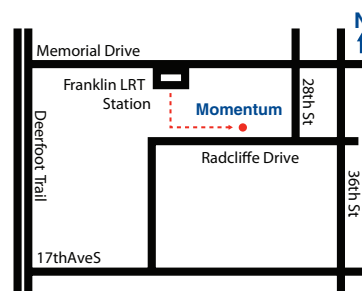

Are you an Immigrant or Aboriginal person looking for work? Are you looking for something better? Momentum can prepare you for a great career.

We can help! Join the Trades Training Program!

Ibrahim had been stuck in what most of us would call a dead-end job. Ibrahim's wife happened to see a Momentum TV ad and mentioned it to Ibrahim. Eager for change, Ibrahim contacted Momentum and was soon studying welding in Momentum's Trades program. Within weeks of completing his program, Ibrahim had a fulltime job and was earning more money than he had earned at his old job. "I am so grateful to Momentum," says Ibrahim. "They did so much for me and my family."
