

# Do you need a job? Why not start a career?

Are you tired of living paycheque to paycheque? Are you looking for something better? Get prepared for a great career in the trades with help from Momentum!

**A trade can be the career that fits you!**

## Carpentry Pre-Apprentice Training Program

**Starts** September 26, 2016    **Ends** March 17, 2017

### Description

Carpenters construct and repair building frameworks and structures, such as stairways, door frames and rafters - made from wood and other materials. They also install cabinets, siding, and drywall.

Carpenters are involved in many types of construction, from building highways and bridges to building residential houses.

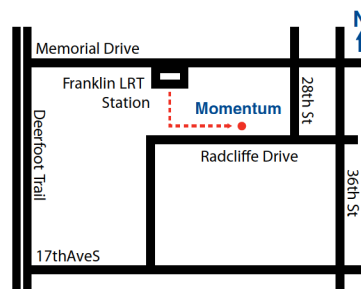

### You are eligible if you:

- Were born outside of Canada, or
- Are an Aboriginal person
- Are physically fit
- Have a valid Driver's License
- Have a commitment to complete the program and work in the field

### You will gain:

- Upgrading in English, Math, Science and Life Skills
- Technical training at SAIT
- Workplace skills to help you be successful on the job
- Work experience in your trade
