What is Credit Dojo?

We created Credit Dojo to help people better understand their own finances while getting answers to their money questions. Credit Dojo offers interactive courses that give you the details of the many money topics that affect your daily needs.

Each lesson comes with videos, illustrations, and examples that quickly get to the point and communicate the importance of each topic. The end of each unit comes with a quiz that tests your knowledge and mastery of the subject.

You don't have to go in order, either! Take the courses at your own pace and jump around as needed.
